I have multiple children who play football. How do I get a Junior Nix Membership for each of them?

If you are ordering more than one Junior Nix Membership and you want them to be under different names, you need to create a secondary account for your children. This can be done on the payment page, by clicking 'create secondary account holder.'

The secondary accounts can use the same contact details as the primary account – it is just the name and username that needs to be different.

After adding a basic account for each of your children's Memberships, you will be able to select their names from the dropdown menu on the payment page to ensure they have different names on their cards.

How do I ensure my child's name is on their Membership (rather than parents name)?

The name of the account holder will be the name that gets printed on each Membership card. We would recommend creating an account for your child/children that has their name, but your contact details. This will ensure it is their name on the Membership card.

I want to sit next to my child – where are Junior Nix seats allocated?

The General Admission seating area is located in Aisle 30. In this area there are no allocated seats – you can sit wherever you like.

If your child held a Junior Nix Membership previously, they have the option of keeping their same seat or renewing into the General Admission area. You can make a request to move to GA seating when renewing their Membership.

What are the additional merchandise options that I can add on to the Junior Nix Membership?

You can purchase a junior Members pack for, which includes a branded cap, member's face mask, replica jersey bag tag and a set of player postcards. Or for an extra cost you can order all of the above, plus a new season youth replica jersey.

Am I entitled to a free Membership for my parent as well?

The Junior Nix Membership is available ONLY to registered junior players in the Wellington Region. Parents are not entitled to a free Membership, but have the option to purchase a season ticket or Triple Nix package and sit next to their kids in the GA area. Any parents using Junior cards will be noticed on Sky Stadium's scanners, and will be required to purchase a full adult ticket for the game.

How will I receive my card (and pack/shirt if ordering one)?

Junior Nix member packs are mailed to all Members via NZ Post.

When will I receive my Junior Nix Membership card?
